

Dear Supporter,

It is my pleasure to introduce you to the Annie Mary's Tea Room group who will be raising funds in support of Make-A-Wish® Canada's Trees of Joy event.

Funds raised through their efforts will help Make-A-Wish® fulfill our mission to grant the wish of every eligible child in Canada who has been diagnosed with a critical illness. Wishes are an important part of a child's treatment journey, and provide kids with hope when they need it most. A wish can help a child look beyond their illness and believe that anything is possible, even the future.

There are currently over 1,200 wishes waiting to be granted right now across Ontario, with 40 of those children located in the Windsor-Essex region. With your partnership we will turn these wishes into reality so that every eligible child can have the opportunity to receive their wish.

Annie Mary's Tea Room needs your support to make their efforts a success. We hope you'll join them in helping us bring hope, strength, and joy to our wish children. To make a donation towards their team or to learn more about the event, please visit the website below:
